PRESIDENT'S REPORT:

It's that time of year again our show is just around the corner. Once again Mother Nature has made it impossible to get the work done that needs to be done outside. However, there is still work that has to be done. We will need lots of help to get the show site ready. There are ongoing work parties throughout the week especially Thursdays, Fridays and Saturdays. The week prior to the show every day is a work party just come and do anything that needs to be done. If you are not sure what needs to be done and want to help please contact Ed Geyer 905-834-3013 or me at 905-892-8357. Please remember that this year's feature is "Cockshutt, Oliver & Hart Parr" so if you have any show feature item or know someone who does invite them to bring it out to the show. We are looking for someone to look after the Kiddy's Korner during the show as Sunshine the clown has retired so please someone step up & take the job on. One more request I would like our members that are displaying or just at the show, to take one hour out of their day, to help in different area's to give other members a break so they can rest and see the show also, "for example the ladies at the admission gate and other area and departments". Let's all work together and we will have a great and enjoyable show. The most important thing is to have fun, life is so short, so have a safe trip to and from our show and enjoy yourself while you are with us. Thanks to everyone and I look forward to seeing you having fun at the show.

Respectfully
Your President Roger Robert

ATTENTION: ATTENTION: ATTENTION:
Our Newsletter is now posted on our website www.niagaraantiquepower.org and if you want to read it on line and not receive a copy in the mail please notify Barbara Middlestead Newsletter Editor at 905-835-8902 so she can take your name off the mailing list. This would cut the cost of printing the newsletter, an envelope and mailing and help the club save some money that could be used to pay our annual costs.

SUNSHINE COMMITTEE:

Niagara Antique Power lost the Founder of the club Ken Benner. In December of 1971 Ken talked it over with his family and they decided to try a "Power Round-Up" in early summer. On Saturday July 1st 1972 a Power Round-up was

held behind Ken's work Shop. After they met in the garage, they decided to meet in early winter to organize the group. They had the meeting on December 7th and even though Ken was in the hospital he was elected President. Ken was very dedicated to Niagara Antique Power Association. A quote from Ken (So—from a dream—to a Power Round Up---co-operation of many and hard work from each—an Association was organized). May it be successful in future years to those who visit, who display and those who worked hard at it. Our deepest condolences to all the to Ken's family and friends.

Our Deepest Sympathy is extended to the families of:

Clayton Jarvis who passed away on March 17

Willard Storm a long-time member who passed away on April 1st

Sophie Horpenuk a former member who passed away on April 19

Elmer Neufeld whose wife Emily passed away on May 12.

ATTENTION ALL MEMBERS

N.A.P.A. RAFFLE:

Our Raffle sales have dropped in the last few years, so a group of dedicated members are going out in the community at different locations and events to sell tickets. If you know of a place where we could sell tickets or would like to help sell tickets for a few hours at an event please contact Jean Robert at 905-892-8357. We are asking all our members to consider taking a book of tickets to sell. You can ask relatives, friends and businesses in the community (that you patronize all year) to just purchase 1 ticket and you will be surprised how quickly the book will get sold. Maybe you would like to purchase a book of tickets just to help your club's finances. Remember our raffle sales allows us to do repairs on the buildings and maintenance of the show grounds and keeps our property safe for our 3-day event.
