

NIAGARA ANTIQUE POWER MOVES PUMP JACK DISPLAY TO SHOWGROUNDS ON WILHELM ROAD

Thursday November 26, 2015 N.A.P.A. moved the Pump Jack Display from its old home at Dundee Energy L.P. Gas Company 953 Elm Street in Port Colborne to their Heritage Farm Showgrounds at 1957 Wilhelm Road. It was placed at the Displayer's Entry Gate. Edgewater Crane and Oskam's helped with lifting and moving the display; Joe Nagy ran the Crane and members: Ed Geyer, Ron Baer, Jesse Adams and Ron Little worked hard to make this move possible. Come to Niagara Antique Power's 2016 Heritage Display July 1st, 2nd 3rd and see it.

Pump Jack & 3HP Fairbanks Morse

The Display Cage & Cement Base

Transported separately by Ed Geyer and Ron Little

Last minute adjustments and its ready for display!
