PRESIDENT'S MESSAGE:

To start the new year off, first I would like to wish everyone a Happy New Year. 2010 will be a challenge for our organization, because of all the things going on in the area, at the same time. We will have to come up with new things and expanded our displays, to keep the people coming to our show. I know that some members think that having activities for the kids to do is not necessary, but the kids rule the roost today, plus with both parents working they want quality time with their children and our show provides this. Our clown Sunshine is doing an excellent job with the kids corner and events but if anyone can help her out with this please contact her. Another area to improve is the engine row, we need a bigger display and more demonstrations going on. Everyone can help with this by digging out your pumps, generators, grinders and other pieces of equipment that a hit or miss engine can drive, to educate our visitors as to what these engines can do. In conclusion, it takes a lot of hard work to put our show on and I hope that the same thing happens this year as last year, that everyone will dig in and make this year's show better than last. I would like to thank all of you for your cooperation and support in the past and for the future.

Reg Tufford
President

SHOWCHAIR PERSON REPORT:

Happy New Year I hope all of you had a happy holiday season. It is another year, time to start planning for the show. This year's feature is anything Canadian built, big or small, please bring it to display and show visitors what Canadians built in the past (tools, pumps, motors, tractors, cars, trucks or house & farm items etc). As in past years I am looking for volunteers to help out on the grounds during the show and with security, parking , games and entertainment. I am also asking members to please help the committee chairpeople in the Ice Cream Booth, Pie shop, Souvenirs shop, Looney Store and anywhere else that needs help. For information before hand contract Roger Robert at 905-892-8357, at the show just find me I will direct you in the right direction so you can help. If you have any ideas to improve our show please do not be afraid to pass it on to the directors or me. Thanks to everyone who has helped in the past to make our show one of the best around and hope to hear from you before or at the show. Thank you

Roger Robert Show Chairman

There will be a table of free items and a silent auction.

I scream,
You scream,
We all scream for Ice Cream
The Ice Cream Shop is Back in Business!!!

Happy New Year, with a new year comes new trials. As a teen I worked in an ice cream shop for many summers. I am hoping that this experience will help my partner and I bring quality scooping to this year's Antique Power Association festivities. WE will be in need of many volunteers to help by being cashiers, scoopers, cleaners and valuable team members. If you are interested we will have a signup sheet available at the next meeting. Please keep an eye out for this sheet and more information to follow. Feel free to contact us if you are interested in helping out. Thanks Angie Marko (905-835-6556) and Annette Bidoski (905-834-3368).

Souvenir Shop this year will be chaired by Lynn Raymond and Marlene Booth. If you can be of any assistance please contact them so they can schedule you in to help. Executives would like to thank Linda Kirton for helping chair the souvenir shop for the last few years.

SHOW FEATURE: Plans for future shows are as follows:

2010 – Anything Canadian Made

2011 – Blacksmithing

2012 – Antique Motorcycles

Raffle Tickets are ready. Get them from Mary Geyer. If every member sold just I book of tickets this year it would help with finances. Sometimes our age or physical health prevents us from helping on the show grounds but we all have enough friends, family and neighbors that we could sell one book of tickets to help the club! Please try!

Security:

We need members to volunteer for security or we will have to hire security at a major cost to the club. So Campers and other members if you can volunteer a period of your time for the three days to help please contact Roger Robert at 905-892-8357 or any director. Thank you in advance for helping us cut expenses by volunteering!

2010 SHOW:

Roger Robert is looking for people to chair or be part of the committee to run the many events at our show. If you are willing to chair or be a committee member for any of the many jobs that need to be done, to have a successful show please contact Roger ASAP. So far Ron Baer will be chair of Engine Rows, Bud Speck will chair Entertainment, Clayton and Corona Jarvis will be back doing Camping, Pie Shop chair will be Corona Jarvis, Looney Store chair is Mary Geyer, Log Cabin chair Marie Henry, Ice Cream chairpersons are Angie Marko and Annette Bidoski, Flea Market chair Bob Climenhaga, Souvenir Shop chairpersons are Lynn Raymond and Marlene Booth, Models Display chair Barbara Mittlestead, Saw Mill co-chairs Ed Geyer and Dan Roscoe, Blacksmith chairperson Jacquie Otis. Others have not been asked yet but will be at our General Meeting on February 9th.

Sponsors: It is time to get sponsors for our 2010 show. The forms are ready and available. It is easy to get sponsors just take a form and present it to all the businesses you frequent all year long and ask, the worst thing that could happen, would be for them to tell you no. So everyone should try to get at least one sponsor!

Club Updates:

We did not get the grant from Port Colborne Hydro or Vale Inco or M. 3 Logs have been replaced in the log cabin and another 2 will be replaced in the spring.
