PRESIDENT'S MESSAGE:

I would like to start off congratulating TEAM Niagara Antique Power Association with a job well done, in coming through with our 37th annual show. It seems that although we had a rough start, everyone pitched in and the whole organization is running like a Swiss Watch. At present, there seems to be no problems with any of the chairperson's responsibilities. Let's all keep up the good work, help each other and not criticize anyone. If anyone has a problem, come to me for help with the issue. In closing my message let's hope that the good Lord blesses us with three sunny clear days for our show. Let's all invite friends and neighbors to the show and encourage other clubs to participate in our displays and make it the best and biggest show yet!

Thanks to All

Respectfully Submitted

Reg Tufford

Remember to sell your raffle tickets!! Members have spent a lot of time and money to make the items to be raffled on this year's raffle so we can make some money to keep our show going. So show your appreciation by selling all the tickets we have been allotted to sell.

Remember we need sponsors to help with the cost of putting on our show. As a member it is part of your responsibility to get sponsors in the area where you live. Mary Geyer has forms and it is easy to ask the businesses you access on a weekly basis to become sponsors. They are willing to become sponsors we just need to ask.
