Presidents Message:

The Niagara Antique Power Association is entering the final month before our show. There is a lot of work to be done yet at the show site and the need for help is great. So please come out and help to get everything completed for the greatest show this summer.

I hope everyone is getting their displays ready and in good working order. The more demonstrations there are, the better the show. The people coming through the gates deserve to see many terrific demonstrations showing what our forefathers had to work with and how they are operated, from engines to hand tools to garden equipment.

This is our 40th year and we are still running. Hopefully we will continue for the next 40 years. The membership should encourage the younger generation to join and give them support. They are the ones who will follow in our footsteps.

In closing, I hope all will participate in the show, make it bigger than ever, and enjoyable for all. Have a great summer and I will see everyone in the fall.

Respectfully,
Reg Tufford

A SUGGESTION

It was suggested that members might like to Dress in attire that you might have seen worn in the 1800's for the 40th Anniversary Show (It up to each member if they want to participate in this fun time).

Show Update: We just found out that the RNR Railroad Display will be attending the show. This locomotive is a part of the history of Sherkston Empire Limestone and International Nickel Company (INCO) of Port Colborne. The FIRST ROBOTICS Club will be there on Saturday demonstrating the robots they have built. These are our future Engineers so come watch them in action. The Happy Soap Makers will also be at the show this year making their famous Lye Soap. A Special Features game for the kids will be going on and maybe you would like to see if you can find an item representing the special feature for each year since 1981 to 2012, check for signs next to each item on the list, they will be displayed all over the show grounds. The Opening ceremony on Saturday June 30 at 12:00 (Noon) on the stage will begin with the National Anthems of Canada and United States being sung by Joel Longfellow followed by The Port Colborne Town Crier (Dr. Tom Pekar). The dignitaries will then say a few words followed by a presentation to the Founding Members. Then the Parade will follow and anyone with something they want to bring thru the parade is encouraged to do so and make this 40th Anniversary Parade the best Parade ever!!! We have breakfast for the show you can choose a traditional breakfast or a breakfast wrap. We have two new food vendors this year Joe's Meat & Deli and Ted's Hot Dog and Sausage Cart as well as Doornekamp Chip Wagon and N.A.P.A. Bake Shop and N.A.P.A. Ice Cream Shop. Entertainment on the stage is Stonebridge, Niagara Ole Tyme Fiddlers and a new Person Randy Thomas. Back by popular demand is the Blind Tractor Game run by David Robert and helpers. Come & Enjoy!!!!

AFTER THE SHOW:

Remember after the show the work is just beginning! The grounds have to be picked up and everything stored away for winter. Also come to the July General Meeting and share your ideas for next year's show. At the 2013 Show Gibson will be the Special Feature and Ken Angle and Roger Robert will be co-chair people. At the meeting give feedback on this year's show, so we can make next year's show even bigger and better but Remember to share the positive and good things as well!

Election Month:

Don't forget that October is election month and everyone should have a say as to who will be representing the club as President, Vice President, Secretary, Treasurer and Directors. Members need to come forward and volunteer to run for these offices. It is not good for club members to not participate in deciding who will be elected to these offices and best represent Niagara Antique Power. So please if your name is placed on the board for an office, let your name stand and let the membership vote and decide who they feel will best represent the organization. No member should complain about the members running the club if they don't participate in the process!!

HELP NEEDED DURING THE YEAR

We are looking for members interested in helping on the grounds during the year with various jobs that need to be done. If you are interested in helping occasionally please contact Roger Robert at 905-892-8357 to be added to the list that has been started, also a sign- up sheet will be available at headquarters during the show. During the year a committee member in charge of a job will call you to see if you are available to help, if you are that is great, but if not maybe you will be able to help another time.

THANK YOU IN ADVANCE FOR YOUR INTEREST AND HELP.
