PRESIDENT'S MESSAGE:

The weather is now warming up and we hope the rain is slacking off. Let's all hope for good weather for our show. As the show approaches all the activities are in place along with all the food vendors. The main feature for 2014, "Military Collectables" is shaping up to be an excellent display along with other displays provided by our own members. The Flea Market, Trading Post, and Crafts are well under way for our visitors to browse and purchase.

Although much has been accomplished there is still much to be completed before the show. Everyone is encouraged to come out on weekdays or weekends and help in any area that needs to be completed. You are welcome to join any group to complete a project.

In closing, many thanks to all who dedicated their time in the past and those who are now volunteering their time to make the 2014 show a success.

Reg Tufford
