HELP! HELP! HELP! YOUR HELP IS GREATLY NEEDED NOW.

There are **WORK PARTY'S** every **THURSDAY, FRIDAY, and SATURDAY**
FROM 10 AM TO? Please just come on out to the grounds any of these days that you are
available to help. **THIS ESPECIALLY APPLIES TO THE LAST TWO WEEKS**
LEADING UP TO SHOW TIME.

PRESIDENT'S REPORT:

It's that time of year again our show is just around the corner. Once again Mother Nature has made it impossible to get to the work that needs to be done outside. However, a couple members and I have been able to complete the upgrading work in the ice cream shop. Thanks again to the grass cutting crew, it has been a challenge getting out there this year but I have no doubt that once you do get on the grounds you will have it looking like a park once again. There are ongoing work parties throughout the week especially Thursdays, Friday's and Saturday's as well all the week prior to the show so if you can help please contact Ed Geyer 905-834-3013 or me at 905-892-8357. Please remember that this year's feature is "**INTERNATIONAL HARVESTER**" so if you have an International harvester item or know someone who does invite them to bring it out to the show. Let's all work together and we will have a great and enjoyable show. The most important thing is to have fun life is so short. So, have a safe trip to and from our show and enjoy yourself while you are with us. Thanks to everyone and I look forward to seeing you at the show having fun.

Respectfully

Your President Roger Robert

SHOWCHAIR PERSON'S REPORT:

With just a few weeks left till the show weekend I want each of our members to ask your selves two questions, what have I done for the club as a member and or what could I do for the club. I'm asking all our members to remember why you joined N.A.P.A. I know I joined to not only display my gas engines but to also help out where ever I could. As members we must remember that yes, it's nice to just sit back and play with our toys while others do all the work but that we all must come together as a club and work together to put on the show. So again, this year I ask that we all take some time out of the weekend to help out in different areas on the ground, such as pick up garbage or scooping ice cream. I also want to remind everyone that we are playing host to the IH Club this year and ask that everyone is very welcoming to our guest. This is how our club continues to be a respected club and known for our friendly members. I cannot wait to see everyone again on the Canada day long weekend.

Sincerely

Show Chairperson Julie Robert

SUNSHINE COMMITTEE:

Our Deepest Sympathy Is extended to Mark & Linda Kirton and family with the passing of Carl Kirton. Carl was a long-time member who was the newsletter editor, executive, he demonstrated Lathe wood turning with a degree of excellence, sign maker and a displayer of model toys that all age groups enjoyed. He was always ready to help where ever he was needed and an ambassador of N.A.P.A. when displaying at community events throughout the summer. He will be greatly missed but every time the president bangs the gavel at meeting we will remember that Carl made that gavel.

Our Deepest Sympathy Is extended to Doug & Huguette Carver and family with the passing of Phyllis Carver. Earnest and Phyllis Carver in 1980 donated the Log Cabin that is on the showgrounds to N.A.P.A. It is used every year to display items of yesteryear. A piece of their heritage will live on.

Our Deepest Sympathy Is extended to Wayne & Jacquy Scott and family with the passing of Glenn Scott a member of Niagara Antique Power for many years.

Our Deepest Sympathy goes out to Lawrence Schneider and family with the passing of his brother Louise.

(Please call Barbara Mittlestead at 905-835-8902 if you know about a member who needs the club to reach out to them and support them in their time of need by sending a card or If you wish to be notified when a member passes to have your name placed on the call list call Barbara Mittlestead (no one else). If you do not call and place your name on the list you will not be notified. Thank You in advance.)
