

N.A.P.A. Mill Pond Trading Post Vendor Guidelines

1. N.A.P.A. offers to display and sell your usable items.
2. All items must be coded with your assigned Vendor number and be priced by you using official NAPA price tags. Only NAPA tags are to be used at a cost of 5 cents/tag to the vendor.
3. Prices of all items to be full dollar denominations (eg. \$5.00, \$10.00, \$25.00, etc.)
4. Small items of value less than \$1.00 must be combined into lots to equal the dollar value.
5. N.A.P.A. will retain a 10% selling fee to a maximum of \$100.00 per item.
6. N.A.P.A. will endeavor to provide “safe keeping” for your items. However, you display them at your own risk – N.A.P.A. is NOT responsible for the security of your items.
7. Protection of sale items in case of inclement weather is the sole responsibility of you, the Vendor.
8. Each Vendor must complete a legible Mill Pond Trading Post Inventory list as provided by N.A.P.A. prior to any transactions.
9. The Mill Pond Trading Post will open at 10:00AM on the First Day of the show and then during regular show hours for the remaining days. All Vendors are encouraged to set up before the Mill Pond Trading Post opens. N.A.P.A. will provide durable price tags.
10. All unsold items are to be removed by the end of the last day, unless special arrangements are made with Mill Pond Trading Post personnel. Items left will be disposed of by N.A.P.A. as they see fit.
11. N.A.P.A. will NOT be responsible for lost, stolen, or damaged items.
12. Please use a waterproof Sharpie marker to price and identify your items.
