PRESIDENT'S REPORT:

Hello to all our new and long-time members, I guess it is time to put all our toys away for another year. I wish to thank everyone for your help in making this year's show a success. We now have to remember that all the work is not completed on our grounds. There are always jobs to be done all year long. We are asking that all our members help out in any way you can to relieve the pressure off the few who are always doing the work. Everyone is welcome even those who may no longer be able to do heavy work but could still be able to do light jobs. Remember many hands make light work we are all getting older. Work parties are ongoing every Thursday through Saturday weather permitting If you are available to help please contact Roger Robert at 905-892-8357 or Ed Geyer at 905-834-3013. At this time my family and I would like to wish all of you a Safe and Happy Holiday Season and we look forward to seeing many of you out at our Christmas Gathering at Saint Joseph's Hall on December 11, 2018 located at the corner of Sodom and Netherby Rd. Stevensville Ontario.

Thanks again: Roger Robert

SHOW CHAIR REPORT

Another show year has come to an end and now it's time to start looking towards next year's show. As many of you may know and for those who haven't heard I have decided to step down as show chair for the 2019 show year. The past few years running and organizing the show has been a great highlight for me and I'm going to miss it, but sadly I need to put my work first to help my family. Michael and I will both try our best to make the show if only for one day. With this all being said; the club will be looking for a new show chair for the 2019 show. For the person who decides to step into this roll please feel easy knowing that I will help when I can, and you can also go to the executives for help and advice. I have compiled a list of the show chair duties to pass on to the new chair. You will also be provided with all the information you need to run the show. The new chair is welcome to go to the executive meetings so that they can stay updated with show information and give an update on how things are planning out. Before the end of this year I will contact the committee chairs to see if they will be

looking after their area again for next year, I will pass this information on to the new chairperson. At this time, I would like to thank all the members who have helped me these past few years. Without all your help I couldn't have done my job and run the show successfully.

Sincerely your show chair for now
Julie Robert

HELP! HELP! HELP! VOLUNTEERS NEEDED FOR THE 2019 SHOW!!!

Dan Roscoe is in charge of the Antique Saw Mill and its operation during the show. He is looking for some people who would like to learn (hands on) how to operate the equipment in the saw mill and help him during the show. If you already have this skill, he invites you to contact him and come to the show and help. He would like to retire from the sawmill after he has a group of people that can take over and run the mill safely. Al Ursacki our Blacksmith is going to be starting a class on Blacksmithing soon. He will depart his knowledge to the people attending and then if they are willing, they can help during the Heritage Display. If you already have Blacksmithing skills and training and would like to work with Al during the show just let him know. Ron Baer is in charge of the Antique Engine rows and if you are interested in getting an engine, he would be willing to share any information on who in the area has an engine for sale. If you need guidance on restoring an engine, there are members with a vast knowledge on how to get them running that would be willing to help you. After you get your engine, I am sure that Ron would love to have you bring it to the show and display and demonstrate it. We need to fill the Show Chairperson position as Julie Robert is unable to continue in that position because of job commitments. We are looking for someone to be Chairperson of the Ice Cream Shop. Angie Marko and Annette Bidoski have kept detailed records and would be willing to share their knowledge with anyone who wants to take over, please call Barbara Mittlestead if you are interested. Also, we are looking for volunteers to help in the Trading Post, Kid's Korner, Bake Shop, Garbage Collection, Latrine and Parking. Just give us your name and contact phone number and someone will call you to inform you about dates and times and duties.

Facebook has decided that he no longer has time to keep it up to date and has passed it on to Michael Tiberi, Julie Robert and Barbara Mittlestead to look after. We thank Jason for all his hard work. A few minor changes and updates are scheduled for the page. We are asking members who have Facebook to like the page and inform us of any information you would like to see on the page. If members have any pictures or videos that we could use, please e-mail them to us. If there are any events that members will be attending on behalf of the club, we would like to be informed so we can add this information to the page so the public can know which events we will be attending.
