For Immediate Release

Getting Ready for 41st Annual Niagara Antique Power Association Heritage Display

Each year, the Niagara Antique Power Association (N.A.P.A.) hosts a three day Heritage Display over the Canada Day weekend at the Learn Heritage Farm in Sherkston. This year's event will mark its 41st celebration.

The community is invited to come and see the Opening Ceremony for the Heritage Display on June 29th at 12:00 p.m. where there will be a presentation from the Ontario Trillium Foundation and talk about plans for restoration and upgrades to some of the heritage buildings on the grounds. For more information on all the activities taking place at this popular local event, please visit the website at: www.niagaraantiquepower.org

In addition to this year festivity, from April to November the public will find N.A.P.A. volunteers throughout the area showcasing displays and doing demonstrations at community events. N.A.P.A. has been restoring, displaying and demonstrating Niagara rural heritage antiques for 41 years. Its mission is to preserve rural Canadian heritage by educating people through displays and demonstrations of members' restored antiques.
